

# Changelog van de space & Activiteiten

Terminal edition

# Meeting meta list

Hooray! I've upgraded from using text editor lists

- Welkom
- Participant count and Finances
- Activities **<== You are here**
- Changelog of the space
- Revbank and Fun
- Future
- Questions and probably answers

# Activities

Based on wiki data, we had the following events:

- And probably a ton more that I either forgot or were too small to mention (eg. consumables)

# Moar POIDH!

Wash all the dishes!

# Moar POIDH!

Keeping you warm during the winter

# This we haven't changed yet...

Couple of items on the wiki:

- Boiler repair
- Automating the ventilation system of the main room and kitchen
- 3D-printing outside space opening hours
- Lid to the crawl space
- Gardening
